

Project Literacy Kelowna Society

Thank You !!!

\$50,000 + \$10,000 + \$10,000 = \$70,000 !!!

In December 2010, Project Literacy Kelowna Society sounded the alarm about a sudden and unexpected downturn in our funding resources and we asked the Kelowna community to help.

Local media publicized our dilemma extensively and donations poured in from business leaders, community agencies, foundations and individuals.

Then, **MacKay LLP Chartered Accounts** raised the bar even higher. After making an initial donation of \$10,000 to our Adult Literacy program, the partners offered to match all donations we received between January 1, 2011 and May 31, 2011 up to an ADDITIONAL \$10,000!

The **Thomas Alan Budd Charitable Foundation** then also offered to match our \$10,000 with ANOTHER \$10,000!

The result: Not only did our community help Project Literacy raise the required \$10,000; your donations exceeded \$50,000! Added to the \$10,000 contributions from **MacKay LLP Chartered Accountants** and the **Thomas Alan Budd Charitable Foundation**, and our grand total reached an incredible **\$70,000!**

Whether your donation is \$10 or \$10,000, each and every dollar helps our clients gain the essential literacy skills to enable them to fully participate in and contribute to our community through our free volunteer-driven one-to-one literacy program.

On behalf of our adult learners, who are the parents and caregivers of future generations, our volunteer tutors, staff, and board members, **THANK YOU!**

Literacy is a Community Legacy

Thank You For Helping Us Pass It On!
